PRENUPTIAL AGREEMENTS

FEES AND COSTS

The following fees include:

- 1) Providing legal advice and counsel to one fiancé (normally the non-Thai fiancé)
- 2) Drafting of Prenuptial Agreement (in English and Thai)
- 3) In the event that an ERISA waiver must be executed following the marriage, drafting of an ERISA waiver (in English and Thai)

Attorney's Fees 30,000 Thai Baht + 7% VAT (32,100 Baht)

Fees and costs are payable by bank transfer, international wire transfer or cash.

PLEASE NOTE: It is a critical component of enforceability of prenuptial agreements that both fiancé and fiancée be represented by separate counsel. We cannot ethically represent both parties to a prenuptial agreement and, it would not be in our client's best interest to do so as it would put the enforceability of the agreement into serious question. We are happy to work with any counsel selected by the other party to represent them. If the Thai fiancée knows no counsel qualified to represent them, we will be happy to provide the names of qualified attorneys to act as their representative who are fluent in both Thai and English and, knowledgeable about prenuptial agreements. Typically, attorneys representing the Thai fiancée charge approximately 10,000 Thai Baht + VAT but, fees can and do vary widely.

In some cases, it may be advisable or necessary to obtain local counsel to review the contents of any prenuptial agreement to insure compliance with specific State or Provincial laws. Inclusion of local counsel, in jurisdictions where advisable, may entail additional expense to the foreign partner.
